

PROJECT NAME: Emergency Operations Center, Equipment and Training

RECIPIENT: Eagle Mountain City

LOCATION: Eagle Mountain, Utah

PURPOSE: These funds will be used to provide needed equipment and training for Eagle Mountain's Emergency Operations Center in order to allow the community to be better prepared in the event of a disaster and in meeting existing FEMA and Department of Homeland Security guidelines. Specifically, the equipment will include and portable radios for the Center's fleet vehicles to replace the cellular phones currently in use as well as equipment for the tracking of personnel and resources. The funds are necessary in aiding the City of Eagle Mountain in making its Emergency Operations Plan both feasible and operational.

AMOUNT: \$250,000
